

# D'ANDRÉ PHILLIPS

FRONT-END WEB DEVELOPER

✉ dandrephillips@outlook.com ☎ 0799 9325 706

🏠 [www.linkedin.com/in/dxndre](http://www.linkedin.com/in/dxndre)

## OBJECTIVE

Use my IT skills that I have been taught over the course of my years of education and apprenticeships to then apply them into a worthy career. Obtain a position that will enable me to use my strong organizational skills, educational background, and ability to work well with people, especially under pressure.

## KEY SKILLS

WEB DEVELOPER APPRENTICE | APRIL 2016 – APRIL 2017

FX Digital – The Old Truman Brewery, Brick Lane, Shoreditch

## PROFESSIONAL EXPERIENCE

- Developing web materials from design mock ups, including websites and emails using HTML, CSS, JavaScript and PHP using Agile Development;
- Maintaining existing sites;
- Working in a local environment to enhance any existing sites;
- Working with the rest of the FX team;
- Meeting clients to present development work;
- Holding training sessions with clients and the rest of the FX team;
- Continual professional development and research to keep up to date with new software developments.
- Presenting research findings to the rest of the team when required to do so;
- Working with different content management systems, such as WordPress;
- Working with other web specialists including web developers and graphic designers;
- Liaising with outside agencies;
- Bug testing of websites to ensure they are working;
- Working with Git Flow to make sure every site is version controlled.
